ACTIVITIES

I enjoy solving Rubik's Cubes both as a hobby and competitive sport. I was in my JROTC class' unarmed drill team, color guard, strength team, armed duals team, and Cyberpatriots team. I like playing video games with friends/family, watching sci-fi/crime shows, and reading fantasy novels. I also love going to the gym, on hikes, amateur photography, and playing chess/shogi with my friends.

COMMUNITY SERVICE

I have gained over 140 hours of CS through JROTC, band, and other school activities

- Park cleanup/restoration several times per school year throughout Federal Way
- Line judge for various school sports
- Gift baskets & dream boards for Seattle Angels
- School assemblies and BBQs
